**Re: Lisa Tresslar v. The Northampton County Court of Common Pleas, *et al.***  
**Civil No. 5:24-cv-01435-JMG**

Dear Judge Gallagher:

Pursuant to the Court's Revised Scheduling Order issued on November 25, 2024, Counsel jointly submit the following Status Report regarding deposition scheduling in this matter.

**By Plaintiff:**

On December 6, 2024, Counsel conferred on the matter of early deposition scheduling. Plaintiff's counsel proposed six dates in February 2025 for the depositions of Defendant Greene, Defendant Dally, Judge Roscioli, Judge Sletvold and Plaintiff. On December 17, 2024, Defendants' counsel provided availability beyond the dates and general timeframe proposed by Plaintiff's counsel. As such, a schedule has not been developed at this time. Plaintiff's counsel has identified additional witnesses reserving the right to schedule additional depositions within the discovery period.

**By Defendant:**

At this time, Defendants' counsel provided initial deposition dates for Defendant Green, Judge Roscioli, and Judge Sletvold in mid-February, all within a week of Plaintiff's originally

proposed dates in February with alternatives in March, as well as dates for Judge Panella in March.

Defendants have also provided a Notice of Deposition for Plaintiff's deposition, to take place on February 13, 2025, a date proposed by Plaintiff's counsel. Defendants' counsel will provide additional dates for witnesses as they become available.
